

Spring has sprung! Hippy, Hoppity, Easter's on its way!

Some things to remember this month:

- **DON'T FORGET THAT THERE IS NO SCHOOL DURING HOLY WEEK FOR OUR SPRING BREAK! SCHOOL RESUMES ON MONDAY, APRIL 5TH.**
- If you know anyone interested in a spot for next year, please encourage them to get their paperwork in ASAP as there are only a few T/Th spots left! Our M/W/F and M-F options are full at this time.
- Roger Sisel from the Manitowoc Lions Club will be coming in on April 8th and 9th to do a free "no touch" vision screening. Please let us know if you do **NOT** want your child to participate.
- Betsy Olson (a preschool parent) will be visiting our classroom and bringing in eggs and an incubator. She will talk to the students about the life cycle of the chicken from egg to baby chick. We will get to observe the eggs over several weeks and hopefully watch the chicks as they hatch. This is always such a wonderful experience for the kids! 
- **We will be introducing a bit more science as we observe the life cycle of a butterfly as well. Our caterpillars should arrive during the second week of April!**
- *Please remember to mark your calendars for the end-of-year programs: M/W/F - Wednesday, May 26th & T/Th - Thursday, May 27th. Both programs are at 10:30 a.m. We are planning ways to make this a wonderful and safe end-of-the-year celebration. There will be more information to come as we continue to make plans.*

	<u>April Themes</u>	<u>Jesus Time</u>
Apr. 5-9	Spring (Rain, Rainbows, etc.)	Noah's Ark
Apr. 12-16	Spring (God's Creatures: Bugs, Caterpillars, etc.)	Ascension
