

Spring has sprung! Hippity, Hoppity, Easter's on its way!

Some things to remember this month:

- Eggs are coming! Betsy Olson, a former preschool parent, has graciously agreed to hatch baby chicks in our classroom again this year. We will also be introducing a bit more science as we observe the life cycle of a butterfly as well. Hopefully they arrive by the middle of the month! (It needs to be 55 degrees or warmer for shipment.)
- Ms. Sharon from the library will be stopping by April 8th.
- Ms. Callie will be visiting on April 15th.
- Reminder no school on April 11th, 18th and 21st.
- We will have our Easter parties on April 16th & 17th.
- The Mon/Wed/Fri class will be going on a field trip to The Farm Discovery center on April 30th. Permission slips will be sent home soon.
- We have a few spots left for the 2025-26 school year, if you know of anyone looking, please give them our information. Word of mouth is our best source of advertisement. ☐
- Make sure you have your calendars marked for our end-of-year programs: M/W/F- Wednesday, May 21st & T/TH-Thursday, May 22nd. Both programs will be at 10:30am.
