

We have been busy in preschool! The students are learning to share as they play with other children, learning to sit quietly while the teachers talk/read/give directions, etc., and there has been lots of fun play! They are such a joy to teach!

Things to remember this month:

- The Mon/Wed/Fri class will be going on a Field Trip to Wilfert's Pumpkin Patch on October 11th.
- Miss Sharon from the Manitowoc Public Library will be coming to do Story Time on Tuesday, October 8th.
- The Manitowoc Fire Dept. will be coming to speak to both classes (Mon/Wed/Fri on 10/14 & Tues/Thurs. on 10/15).
- Our Halloween Parties will be on October 30th & 31st. Children may wear their costumes to school, please have them wear normal clothing underneath so they can change out of their costumes if needed. If you would like, you are welcome to stay immediately after drop off to enjoy our outdoor costume parade! (Weather permitting)
- As the weather gets cooler, please make sure your child has appropriate (& labeled) clothing for playing outside.
- Thank you for keeping your children home when they are not feeling well. It really helps all of us stay healthier and decreases the chance of spreading germs to the class.

Thank you so much for "Helping Hands" donations! We will put items up on the board periodically & greatly appreciate your generosity!
