

Preschool has been bustling with energy and excitement! They are learning to share as they play with other children, learning to sit quietly while the teachers' talk, and they are even tolerating their masks better than we expected! Thank you for sharing your children with us. They truly are a joy to teach!

Some things to remember this month:

- Miss Susie from the Manitowoc Public Library will do Story Time on Oct. 2nd and Oct. 29th.
- Pastor DeArmond will be teaching Jesus Time on Oct. 7th and 8th.
- **The M/W/F class will be taking a bus field trip to Wilfert's Pumpkin Patch on Friday, Oct. 9th.**
- October 12-16th is Safety Week. We are hoping to have someone from the Fire and Police/Sheriff Department speak to your children. It is unclear whether this will be possible given the current situation with Covid-19. Please watch for updates on this.
- Our Halloween parties will be Oct. 29th/30th. Children may wear costumes for the party. Also bring or have your child wear normal clothing underneath so they can change out of their costumes if needed. ***If you would like, please stay immediately after drop-off to enjoy our outdoor costume parade. (weather permitting)***
- **Just a reminder that there is NO SCHOOL Nov. 1st and 2nd for in-service.**
- As the weather gets cooler, please make sure your child has appropriate (and labeled!) clothing for playing outside.
- **Please make sure you read the letter sent home regarding our current policies on child/family illnesses and contact tracing. We are all in this together and need help to keep our classroom open during this Covid-19 pandemic.**
- October is Pastor Appreciation Month. Thank you to Pastor DeArmond and Pastor Hirssig for all that you do for preschool and many other people!

Thank you for the many "Helping Hands" donations! We will put needed items up on the board periodically and greatly appreciate your generosity!
