

September

We are so excited to begin this school year with your children! This month will be full of new friends, new experiences, and lots of learning. As we begin this journey together, if you have any questions or concerns, please don't hesitate to talk to one of your child's teachers or the preschool director, Patti Fellows. You may also email us at: preschool@redeermanty.com.

thank you!

We are grateful for the many "hands" that helped us by donating items for our classroom. Please check the board periodically as we will post items as needed. We truly appreciate your generosity!

Some items to remember this month:

- **FORMS:** *All the forms that you have received should have been returned to the preschool office by now. If they are still sitting on your counter (we totally get it!), please return them now. If you have scheduled a health exam for your child later this month, give us a note so that we can put it in their file. The state licensing agency makes periodic visits to inspect the preschool and our records. Please help us comply. 😊*
- Please label your coats, jackets, sweatshirts, etc. and later on mittens, hats & boots. It is difficult to find the rightful owner when we have 20+ items. **Also have your child bring a jacket or sweater even if you don't think they are needed.** We will be taking the children outside daily to play and enjoy the beautiful fall weather. We will also be keeping our classroom window open to improve ventilation.
- **We will be placing our Scholastic book orders soon. This service is a fantastic way to expand your home library. Our Scholastic code is DXPVB if you choose to order online. If you order through us, please make your checks out to Redeemer Lutheran Preschool.**
- Just a reminder that all snacks must be single serve and store bought. We will miss the homemade goodies, but this will make snack time safer given the current situation. 😞
- **MISS SUSIE, THE LIBRARY LADY WILL VISIT ON FRIDAY, OCT. 2ND.**
