

We are so excited to begin the school year with your children! September will be filled with new friends, new experiences, and lots of learning. As we start the school year, if you have any questions or concerns, please feel free to talk to one of your child's teachers or the preschool director, Jaime Wiles. As you can see from our logo above: Love Grows Here!

Important notes for the month:

- **FORMS:** All the forms you have received should have been turned into the preschool office by now, if not (we totally understand!) Please return them now. If you have a scheduled health exam for your child later this month, please let us know so we can put a note in their file. The state licensing agency makes periodic visits to inspect the preschool and our records. Please help us comply.
- Please label all coats, jackets, sweatshirts, etc (and later hats, mittens, and boots). Also, please send your child with a jacket or sweater, even if you don't think they are needed. We will be taking the children outside to play and enjoy the wonderful Wisconsin fall as weather permits.
- We will be placing Scholastic book orders soon. This is a fantastic way to expand your home library. If you choose to order online, our Scholastic code is DXPVB. If you order through us, please make checks payable to Redeemer Lutheran Preschool.
- Miss Sharon from the Manitowoc Public Library will visit each month and share stories, songs, poems, and other fun activities. We will update on when those days will be.
- The M-W-F class will be going on a field trip to the pumpkin patch in October. Please watch for permission slips to come home at the end of September.
